vehicle title work?

## The Imperial Agency

**Insurance • Motor Vehicle  
Drivers Licensing Services**

The Imperial Agency has been providing excellent service to the Philadelphia and Surrounding communities, dealerships, service stations and other full agents for 20 years.

The Imperial Agency has been a full agent for PennDOT since 1987. In 1998 we became an Authorized On-line Messenger with PennDOT. In 2003 we became an Authorized T-A Agent for Commercial Truck Registrations. In 2005 we became an Authorized On-line Vehicle Titling Processing Agent.

The Imperial Agency is not only a Motor Vehicle and Drivers Licensing processing center but is a full service Insurance Agency as well.

Imperial offers a full line of Property and Casualty Insurance Coverage. We specialize in Auto, Motorcycle and Commercial Truckers' Insurance.

We have a wide range of Insurance Companies to place any type of driver for any type of vehicle at a great price.

We always have agents in our office to offer affordable insurance to your customers who want to purchase a car or transfer a title and get plates but do not have insurance to drive off the lot or acquire that tag.

*We make it easy for your Dealership, Tag Agency or Company to deal with us.*

## Our Mission...

### For Motor Vehicle & Drivers Licensing:

To provide fast and friendly service for companies and individuals who must process paperwork through The Department of Transportation.

To provide accurate information and service in order to help get their vehicles and drivers on the road legally.

To process work as quickly and efficiently as possible and at an affordable price.\*

### For Insurance Services:

To provide honest and sound insurance advice to help individuals and companies protect their assets and property from unfortunate circumstances.

To provide fast and affordable insurance products.

To help people and companies make good decisions that they can afford when it comes to purchasing insurance.

To service our customers' policies and to help with any problems they might encounter with the Insurance Company.
